THIS IS A SUGGESTION

Make Your Shorthorn Cattle Known to Fair Patrons

"COW CHIPS"

By: Ted L. Aegerter
Fieldman

CHANGES AT THE NATIONAL WESTERN

Consignors of Shorthorn and Polled Shorthorn bulls to the stockyards that are annually sold at private treaty in connection with the National Western Livestock Show will have an opportunity to sell these bulls at auction next year. The American Shorthorn Association has been advised of the wholehearted cooperation of both the John Clay Commission Company who formerly had handled the bulk of the bulls sold in the yards and the National Western Stock Show in whose sale pavilion the Shorthorns and Polled Shorthorns have been sold on the hill. Exhibitors should keep in mind that if bulls are consigned to the yards a flat rate of \$10 will be made on those bulls that are taken from the yards and sold through the auction. The bulls will be loaded prior to the sale in trucks, hauled to the auction sale pavilion and then returned to their respective pens in the yards after the sale. The pen bulls will be sold as their placings indicate; they will be catalogued in the regular National Western Shorthorn Association sale catalogue; however, sale expense on the pen bulls will be below that of the individuals sold in the regular sale since they will be sold in groups of three and catalogued as such.

Further details for this new sale will be worked out in the very near future; in the meantime, exhibitors in the yards are urged to make their plans known to the American Shorthorn Association office at the earliest date possible. More information on this change, which has been designed to make it possible for consignors in the yards to move their bulls at auction, will be passed on to our exhibitors as soon as plans are finalized.

With an \$840 average on bulls in Denver last year it is very

evident that many of the good bulls in the yards, had they been in the sale, would have sold at prices in keeping with their quality. We urge all potential consignors to the National Western to advise the American Shorthorn Association of their plans as early as possible.

Names of the people who have pledged to the American Shorthorn Foundation will appear in the next issue.

Brian Halverson, Baker, Minnesota, 10 young, commercial cows for fall delivery to calve in spring.

Henry J. Bach, Route 2, Long Island, Kansas, 28 Polled Shorthorn cows and 11 registered, two year old, Polled Shorthorn bulls.

Biddick Ranch, Laramie, Wyoming, 175-500 lbs., commercial, Shorthorn heifers.

Dean Bresley, Ord, Nebraska, roan, Shorthorn bull. Tele: 7285269.

Arthur Doerr, Plainview, Nebraska, 20 commercial, Shorthorn heifers.

"If one does not believe in cooperation, just observe the result when a wagon wheel comes off."

-----Milton Nagely

"Guess I'll hit the hay," said the farmer, as he slipped off the barn.

(The Farmer)

Linda Miller, Promotion Editor for the North Dakota Shorthorn Breeders' Briefs, writes: "Each of us should take a close look at our own Shorthorn business. Are we registering as many cattle as we could be and should be or are we getting lax and letting recording go until after the animal is over six months and then deciding not to register it at all? Someone has said: 'If you want to improve your life a lot. . .improve your lot in life.' It stands to reason that if Shorthorns are your life you should be improving it by recording them! NOW!"

She's My cow--
Beautiful head and a tail,
A spirited gal - eats from a pail.
A real lot of cow, no pedigree
But there are good names on her family tree!
I didn't record her, it took too much time-
Besides it took money - more than my dime.

Now I'm sorry, Cause I had the chance
To sell her calf at a price
That would make you all dance,
But I had no papers. NICE!
The buyer, though merry,
Turned up his nose that looked like a cherry,
And trounced off with no second look,
Cause my cow wasn't recorded
In the Shorthorn Herd Book.

(Linda Miller)

C. R. Fliginger, President of the South Dakota Shorthorn and Polled Shorthorn Association, reports that they are publishing a monthly newsletter. He states that their Association is forwarding a form to each breeder in the state asking for the following information: 1. What do you have for sale? 2. What would you like to buy? 3. How many registered cattle do you have and how many commercial? 4. Do you belong to your National and State Associations?

WHAT IS YOUR STATE ASSOCIATION DOING FOR THE PROMOTION OF SHORTHORNS?

SHORTHORN LASSIE NEWS

A SHORTHORN LASSIE

By: Helen Parks
Obion, Tennessee
National Publicity Chairman

In June the wild honeysuckle over the back fence brings forth such sweetness that we are tempted to gather it up in handfuls. This month brings many more things with it such as honey bees, wasps, humming birds, lush pastures, new calves (to be registered), roses, vegetables from the garden, hot days and cold, and a moon tossed into the sky like a silver ball. But to the Shorthorn Lassies, June brings picnic time at Field Days. This means loaves of freshly-baked bread, cakes, pies, potato salad, jars of homemade pickles and other tasty foods that accompany that delicious Shorthorn Barbecue.

Field Days give the Lassies an opportunity to adorn a booth or table with yards of elegant Lassie plaid and hang up a sign reading, "Are you a Shorthorn Lassie?" With proper registration of all women and girls present, the question will be answered. Then watch those enthusiastic Lassies add names to the roll.

In many states Field Days and Picnics bring the selection of a new Lassie Queen to represent her state at all local Shorthorn functions and in Chicago at the International Livestock Show, where a National Lassie Queen will be crowned. The new State Queen may be seated on a throne made of bales of straw, receive a glittering crown, wear a cape of Lassie plaid, hold an armful of red, white and varigated (roan) flowers, or she may receive from last year's Queen the regal Scotch tam, which is an important part of the Lassie Queen's costume. However she is selected and crowned in her state, she will most assuredly have a gleam in her eye and a smile on her face. She will be a member of the Shorthorn Lassies; age 16 to 22 years; will be single; will

come from a Shorthorn family or will have shown Shorthorn cattle; will be 5'3" to 5'7" in height; will be willing to give full cooperation in making any public appearances that will be of value to the breed; will attend the International Livestock Show in Chicago in November.

During the month of June the honeysuckle on the back fence will spread from post to post. And so will the enthusiasm and interest of Shorthorn Lassies spread as our people gather, visit and talk about our favorite subject, "SHORTHORNS".

COMING EVENTS

July

- | | | |
|---------|------|---|
| July 1 | ---- | Minnesota Shorthorn Association Picnic and Field Day, Fair Acres Stock Farm, Waldorf. |
| July 1 | ---- | Northern Illinois Junior Field Day, Louis Wernicke Farm, Lena, Illinois. |

| July 21 | ---- | Oklahoma Field Day, Broadview Farm, Ray Ester, Carrier. |

FACTS ABOUT OUR ASSOCIATION NOT GENERALLY KNOWN

The Association has received many complaints and unfavorable comments recently regarding tattoos being illegible and even in some instances there was no tattoo.

This is an indication of poor or careless herd management.

IF IT SHALL BE DETERMINED BY THE ASSOCIATION THAT ANY SHORTHORN HAS NOT BEEN TATTOOED WITH A NUMBER IN THE EAR AS SHOWN UPON THE APPLICATION FOR REGISTRY FILED, THEREFORE, THE REGISTRATION OF SUCH ANIMAL SHALL BE SUBJECT TO CANCELLATION.

NOTICE

A SUGGESTION TO FOLLOW IN NAMING YOUR CALVES

Methods being used in naming animals when numbers are used have been confusing to us as to exactly what you desire in the name.

Names using numbers as 2, 3, etc. should be written as 2nd, 3rd, 4th, 5th - 21st and so forth.

EXAMPLE - BETTY'S STAR 3rd

If you use a letter following a name not designating a number series, use a capital letter.

EXAMPLE - BETTY'S STAR D

If the calf is being named after the dam or sire the number should follow in number series.

EXAMPLE

Dam - Betty's Star 3rd

If the calf is named Betty's Star it should be Betty's Star 4th, 5th, 6th, or which ever it may be.

The calf number should always be a higher number than that of the dam or sire.
